

## Technology for Trojans

As we continue to move forward into the 21<sup>st</sup> Century, the goal of North Hall Middle School is to provide the best quality education available & of course technology is key to our student's success now and in the future. A technology task force has been formed to develop a multiyear plan for NHMS' technology needs and goals. This year's goal will be to raise \$10,000 to use towards the purchase of tablets & laptops for our classrooms. The PTSO will again conduct a fund raising campaign that will help to meet these needs for our students.

**So, for the benefit of our kids, we'll need everyone! Please help us reach our goal of \$10,000 by Friday, September 5<sup>th</sup>.**

Here's how YOU can HELP!

Donations can be from families or businesses and 100% tax deductible. Please make checks payable to NHMS PTO, and return donation & this form to NHMS main office.
