North Hall Middle School PTSO
Trojan DoNation
2026-2027 School Year

Dear Valued Community Member,

The North Hall Middle School PTSO is an organization made up of parents and teachers who work together as a team to enrich and improve the educational environment and experiences at North Hall Middle School. Our PTSO is independent from the National and State PTAs, which means that 100% of funds raised are used for NHMS PTSO programs. The purpose of the PTSO is to help support programs and initiatives such as:

- Gym tarp to be used for school dances, chorus/band concerts, etc.
- School branding signage, including security screens on cafeteria windows
- Smart Pass program for the security of our students traveling in the hallway during class periods
- Quill program for ELA Teachers
- Student celebrations and socials
- Teacher appreciation
- Numerous educational activities to support student learning
- Sponsorship of students for field trips

We invite you to become a sponsor for our organization. We hope that you will embrace the North Hall community and the children that we serve. As a sponsor, either you, or your business will benefit by being recognized for your support in our community.
Your sponsorship will allow the PTSO to support the education of our middle school students, as well as provide a fun atmosphere for this crucial age of students. Official sponsorship levels can be found below; however, we are appreciative of any financial donation that you are willing to make.

North Hall Middle School PTSO
Trojan DoNation
