Transition time has been allotted between homeroom and 1st period because not all homerooms and 1st period are the same class.

Brain Break has been built-in your lunch period. You may take your class outside as you transition to or from lunch – taking the “long way” to lunch/classroom. Inclement weather days – please have an indoor brain break using Power Up for 30 activities. This brain break may also be used as an incentive for quiet transitions in the hallways and good behavior at lunch.
