North Hall Middle School Football 2019-2020

*September 4th, 2019 Football Game*

[Gainesville, Georgia, September, 9-4-2019] At the September 3, 2019 football game the North Hall Middle School Trojans prevailed with a score of 54-8 against the South Hall Knights. The victory was a great success and a huge team effort. Coach Wilson stated, “The Offensive and Defensive line, led by Grayson Blair and Tyson Ken-Harding, dominated the line of scrimmage allowing our running backs to score. Special teams played well with Ajay Jones making defenders miss and returning a kickoff for a touchdown.” The game was a home game played in the North Hall High School Brickyard.

The North Hall Middle School Trojans would like to invite you to join them at their next home game against Chestatee Middle School. This game will take place on September 5, 2019 at 5:30 pm at 2765, 4885 Mt Vernon Rd, Gainesville, GA 30506. You can find the game behind the school in the Brickyard. Snacks, drinks, and other concessions are sold around the field during the game. Games normally last around an hour and a half. We hope to see you there!
