Dear NHMS Family,

Many recognize middle school is the most challenging level of instruction and we are working hard to prepare our young people for a bright and successful future. As you may already know, the professional environment is changing drastically and the ability to work well with others is paramount to our students' future success. Our school needs an update to hone the skills employers are looking for in a global, synergistic environment.

"Coming together is a beginning, staying together is progress, and working together is success." – Henry Ford

Currently NHMS is equipped with rows of individual desks but our teachers have requested tables and chairs to replace the 'old school' desks. The teachers feel that tables and chairs are more versatile, allow flexible seating, and promote a more collaborative experience for the students.

This year we invite you to SPONSOR A CHAIR to improve the elasticity of our learning environment as well as student/staff enrichment. We need your help to make these improvements. Our children deserve the best learning environment we can possibly provide ~~now~~ and into the future!

This fundraiser benefits you as well! In lieu of purchasing cupcakes you do not want, hitting up your family, friends, co-workers to purchase wrapping paper, and sparing yourself from walking, swimming or running in any "thon", we only ask that you fill out the back of this form and return with your donation.

We ask for a \$60 contribution per student.
Enough to purchase a chair for your child and a friend.

*No small print. No hidden agenda. No ulterior motive. Only massive appreciation for your generosity for this donation (or more). **And** your precious time for filling out the form.*

Your involvement and partnership is Valued. Appreciated. Respected.

AND. We will be doing this fundraiser from November 13 – January 13, 2020. Two months and poof we are gone! (*Until next year*).
